Position: Strategic Partnership Manager. **Terms:** Full time/contract. **Location:** Calgary **Salary:** commensurate with education & experience **Closing Date:** When a suitable candidate has been found

Abstract: Deaf & Hard of Hearing Society is a non-profit agency that has been operating for almost 50 years. **Our Mission:** Deaf & Hard of Hearing Services enhances the lives of Deaf, Deafened and Hard of Hearing Persons and Those with Whom They Interact. **Our Vision:** Recognized for Excellence in Communication Equity

Strategic Partnership Manager: Is an exciting senior position reporting to the Executive Director and is responsible for building and maintaining strategic relationships. Responsibilities include; designing and implementing a partnership framework for a shared service program delivery model, tracking and driving new business opportunities and partnerships and ensuring a broader reach and access for Deaf & hard of hearing programs and services.

Education/Experience: Degree in related area along with a minimum of 5 years direct experience in partnership and program development, evaluation and supervisory experience are essential. Knowledge of ASL and Deaf & hard of hearing culture would be considered an asset.

Skills & Abilities: Demonstrate strong written and verbal communication and interpersonal skills with partners, community organizations, service users, committees & staff.

Plus: Ability to be flexible in the development of this position, plan ahead, anticipate and manage change; use considerable judgement for day-to-day decisions, prioritize work, work independently and demonstrate initiative. Builds and maintains positive and productive relationships throughout the organization and the community while maintaining confidentiality when appropriate.

To Apply: Submit your resume in confidence, including cover letter to:
